

Warm introductions at every booth, from the moment your attendees arrive.

Your exhibitor list becomes a warm introduction for every attendee who scans the code on your badge or booth card. No friction, only value, for three parties.

The attendee

Walks up to a booth already knowing the person's name, company and booth.

The vendor

Gets warm introductions instead of awkward ones, at every conversation.

The organizer

Gets a sponsorable feature and attendee activation numbers.

The numbers your dashboard reports, shown here with example figures

1,284

Redemptions

3,902
